Bharati Vidyapeeth

Bharati Vidyapeeth Pune is the parent body of Bharati Vidyapeeth College of Engineering Kolhapur. Bharati Vidyapeeth one of the largest networks of education institution in India established by Hon'ble Dr. Patangrao Kadam in 1964 at Pune. Bharati Vidyapeeth has achieved it's new height of success under the guidance and leadership of Secretary Dr. Vishwajeet Kadam. Bharati Vidyapeeth has campuses across the country at New Delhi, Navi Mumbai, Sangli, Pune, Solapur, Karad, Satara, Panchgani and Kolhapur and also has overseas campus at Dubai and USA. Bharati Vidyapeeth has total 187 institute which includes Medical, Nursing, Pharmacy, Law, Biotechnology, Engineering, Management, Hotel Management, Agricultural, Pre Primary to Higher Secondary School and more. 1996 was the moment of crowning Glory in the life of Bharati Vidyapeeth as Govt. of India on the recommendation of UGC granted the status of "Deemed to be University" in appreciation of their academic excellence.

Bharati Vidyapeeth College of Engineering

College started in the year 2001 with Computer Science and Engineering, Electronics and Telecommunication Engineering. New branches namely Mechanical Engineering were added from 2006-2007 and Civil Engineering from academic year 2011-2012, Computer Science & Engineering (AI & ML) from 2021-22 all with an intake of 60. The Bharati Vidyapeeth college of Engineering is a private, self financing institution. The institute is approved by DTE, AICTE and is affiliated to Shivaji University, Kolhapur. Institute is accredited by NAAC with grade A. College also provide platform to develop the students in overall aspects

About the Department

The Department of Mechanical Engineering was established in 2006 and is offering B. Tech. and M.Tech. in CAD/CAM/CAE. The department has qualified and experienced staff and well-equipped laboratories with the state-of-the-art facilities. Students of the department have added value to the department by getting placed in reputed core and software companies and by excelling in competitive examinations.

About the FDP

NANOTECHNOLOGY playing a very vital role in multidisciplinary approach to create many new materials and devices with a vast range of applications, such as in Defence, Aerospace, Automobile, Nanomedicine, Nanoelectronics, Biomaterials, Energy, Production, Consumer products etc. This FDP will create awareness among the Faculties, researchers and students to know methods of synthesis, characterisation, and applications of NANOTECHNOLOGY.

Subject: Regarding one week online FDP & STTP

Dear Sir,

Department of Mechanical Engineering of our college is planning to organize "One week FDP and STTP e on "NANOTECHNOLOGY: Synthesis, Characterization and Applications of Nanomaterials in Engineering & Science" between 17th Jan. 2022 to 22nd Jan.2022 for faculties, students, researchers and industry person under the LEAD College concept, Shivaji University with association of ISTE, Delhi.

This FDP & STTP aims to concentrate on measure areas of fundamental research and applied research in Nano fibers , Nano energy, Pharmaceutical nanotechnology including aspects of Chemistry, Physics as well as Material science and Engineering. FDP & STTP intends to provide a measure reference source of comprehensive basic and applied knowledge in areas of nanoscience, Nano Engineering and Nanotechnology. This FDP & STTP helps to understand NANOTECHNOLOGY: Synthesis, Characterization and Applications of Nanomaterials in Engineering & Science. The link will be made available to all participants.

We request you kindly allow us to arrange one week FDP & STTP in association with ISTE.

Thanking You.
