BHARATI VIDYAPEETH'S COLLEGE OF ENGINEERING, KOLHAPUR

- **Organizing Department** : Computer Science & Engineering
- **Name of Activity** : Social activity at AVANI sanstha
- **Date of Activity** :10/01/2022
- **No. of Participants** : 100
- **Details of Activity** :

A Visit of SY, TY and BE Students of computer science & Engineering Department was organized at Avani Sanstha Orphanages for Children, Kolhapur on 10/01/2022. This visit was for contribution to a social work carried out for children by Avani Sanstha. Students of our college collected essential items required in our day-to-day life along with a few toys for these children. All things collected by students were donated to this sanstha. Organizing such activities will be helpful to inculcate a habit of contribution to society in our students.

- **Outcome of Activity** :

1. To develop emotional intelligence

Social events develop social skills and empathy—the outward-oriented dimensions of emotional intelligence (EQ). The interactions or conversations elicited by events helps students build relationships, understand different perspectives and engage other cultures. Social events provide an opportunity to expand one's social circle.

2. To take a break

All work with no breaks diminishes productivity. It's good to take one's mind off the troubles of exams or reports from time to time—something that participating in events can provide. Whether it's by watching a movie or volunteering for a fundraiser, a "study break" lets students recuperate by focusing on activities that exercise other creative, mental muscles.

3. To build relationships

Participating in on-campus social events enables students to meet people who share common interests and individuals who can help them academically, or even professionally. Relationship-building is a good habit that students need to learn because the world of work requires aptitude in negotiation, communication and, well, more networking.

- **Organizing Department** : National Service Scheme (NSS) Unit BVCOEK
- **Name of Activity** : Organization of No Vehicle Day at Institute
- **Date of Activity** : 27th - 28th July 2021
- **No. of Participants** : All students, faculty and staff members
- **Details of Activity** : Now a day's rise in pollution is very serious problem. To raise environmental sensitivity and awareness among students about the vehicular pollution. To encourage younger generation for using the bicycles and public transportation system in reducing the carbon footprints. Bharati Vidyapeeth's College of Engineering Kolhapur decided to arrange no vehicle day in the college campus where in no bikes, cars or any polluting vehicle was allowed. All the faculty and students were told to use bicycles to mark the day. This type of activity will be helpful to lower the level of pollution which can be contribution of individual towards maintaining the healthy environment. For this everyone from the college showed interest from students, staff and faculty actively participated in this activity. This is an initiative taken by institute under the program of green environment initiated by the government.

- **Organizing Department** : National Service Scheme (NSS) Unit BVCOEK
- **Name of Activity** : Arrangement of Parking Discipline at Institute
- **Date of Activity** : 2nd -3rd Aug 2021
- **No. of Participants** : All students, faculty and staff members
- **Details of Activity** : Being a well-developed country one of the most common problems today in India is a saturation of parking spaces. Vehicles continue to outnumber existing parking spaces thus clogging roads. Incidences of violence over occupancy deformed cars due to a space crunch and overcharging for parking are some problems that result.. However, the better solution to the problems mentioned above is to follow and maintain rules of parking discipline. In day-to-day life we come across many situations related to parking problems which can be avoided if individually we follow the simple rules of parking discipline. With respect to this NSS unit of BVCOEK arranged Parking Discipline program in college campus with help of NSS unit of BVCOEK. In college campus also parking discipline is followed in order to inculcate habit of following rules in younger generation. Different parking slots are allocated for student parking Staff parking & Principal parking.
- **Outcome of Activity:**Arranging such activity can inculcate good habits in younger generation which may help to develop a good citizen.

- **Name of Activity** : Environment project Study of pond ECO system
- **Date of Activity** : 23rd Jun 2023
- **No. of Participants** : 12
- **Details of Activity** : Second Year students of college conducted a visit at Krishna Talao Bambavde Sangli to study pond ECO system. In environmental Engineering all aspects are studied related to environment issues. In order to get practical experience of these facts few projects are carried out by students. In study of pond ECO system students visited Krishna Talao Bambavde Sangli and studied various points related to pond ECO system.
- **Outcome of Activity:** Students understood importance of individual responsibility towards environment and society
- **Photo:**

8. Visit photo.

2. Plants growing on the pond.

This pond consists of limited type of plants growing on the water. The pond mainly consists of green algae, blue-green algae, water lettuce, etc. as the water is used for drinking purpose, the pond is cleaned once in month by Nagar Palika of Bambvade and private NGO's so the percentage of growing of plants on pond are less.

3. Animals in the pond.

The pond consists of variety of small fishes, small prawns, lata fish, toad, frog, tadpole, snail, leech, crab, checkered kill back snake, etc. In winter season the pond gets full with various types of birds mainly the migrated bird species. Differ from that the local bird species like Little Egret, Ducks, Geese, Swans, White throated Kingfisher, Red wattled lapwing, Purple heron, Painted Stork, etc. are found around this ponds area.

- **Name of Activity** : Organisation of Covid Vaccination drive in collaboration with Primary Health Care Center Kaneri Math Kaneriwadi Kolhapur
- **Date of Activity** : 25th Oct 2021
- **No. of Participants** : 26
- **Details of Activity** : With respect Covid-19 pandemic situation Bharati Vidyapeeth's College of Engineering Kolhapur organized a Vaccination Drive. This drive was arranged on 25th October 2021 for the students of the BVCOEK in the college campus in collaboration with Primary Health Care Center Kaneri Math Kaneriwadi Kolhapur. Around 26 students were given Covishield/Covaxin vaccine first and second doses as per their vaccination schedule. Later on they were asked to follow the suggestions as per doctor's advice. The Health Minister of Maharashtra state, Mr. Rajesh Tope had announced about special inoculation drive for the students age group of 18 to 25. The Government of Maharashtra had started vaccination drive for college students in the state under the campaign, 'Mission Yuva Swasthya'. The college has taken online survey prior to the vaccination drive to collect data of college student vaccination status and accordingly students are informed for the vaccination drive.
- **Outcome of Activity:**
Organizing such activity can be beneficial to create social awareness in youth and society.

- **Organizing Department:** NSS unit & cultural team of BVCOEK
- **Name of Activity** : `Shivkalin mardani khel' by Bharati Vidyapeeth Engineering College, Cultural group.
- **Date of Activity** : 7th Feb 2020
- **No. of Participants** : 25
- **Details of Activity** : Mardani khel is an armed Indian martial art from Maharashtra. It is particularly known for its use of the uniquely Indian patta (sword) and *vita* (corded lance). The early history of Shivkalin mardani khel as a distinct system is difficult to trace prior to the 1600s, but it is said to owe its development to the particular geographic conditions of Maharashtra.

Cultural group and NSS unit of BVCOEK taken a initiative to demonstrate these and performed `Shivkalin Mardani Khel' in front of villagers of Mouje Sangaon. This is an ancient practice to fight against enemy, which is practiced by group of students. This will let the younger generation to know about our tradition.

- **Organizing Department** : Department of Civil Engineering
- **Name of Activity** : Environment Project: Water distillation plant
- **Date of Activity** : 25th Feb 2018
- **No. of Participants** : 12
- **Details of Activity** : Second Year students of college visited a Water distillation plant at Kandalgaon Kolhapur. In environmental Engineering all aspects are studied related to environment issues. In order to get practical experience of these facts few projects are carried out by students. Students visited water distillation plant Water distillation is a process in which water is boiled until it evaporates and condenses, leaving behind impurities with different boiling points. Distillation produces clean, pure water. It is an effective water treatment method for removing contaminants like bacteria, heavy metals, and chemicals. the breakdown of organic matter such as food scraps and animal waste.
- **Outcome of Activity:** Students understood importance of individual responsibility towards environment and society

- **Participants** : TY CSE Students

Community Service Project is an experiential learning strategy that integrates meaningful community service with instruction, participation, learning and community development. Community Service Project involves students in community development and service activities and applies the experience to personal and academic development. Community Service Project is meant to link the community with the college for mutual benefit.

The specific objectives are

- To sensitize the students to the living conditions of the people who are around them
- To bring about an attitudinal change in the students and help them to develop societal consciousness, sensibility, responsibility and accountability
- To make students aware of their inner strength and help them to find new /out of box solutions to the social problems.
- To make students socially responsible citizens who are sensitive to the needs of the disadvantaged sections.

Camp Inauguration by Dr.V.R. Ghorpade

Rally Regarding Public Awareness On Various Social Issues and Cleanliness

On the first day of NSS camp rally was arranged in Mouje Sangaon. This rally was to create public awareness about various social issues like the save water, importance of the trees in our life, trees plantation, save the girl child, Digital India. Rally was organized with

help of various Banners and posters that spread awareness among the people which will also

bring sense of responsibility and duty towards the nation. The slogans are about, 'Save baby girl', 'Tree plantation', 'Save water', 'Swacha Bharat, Sunder Bharat', & Jay Jawan, Jay Kisan'

Ready for Rally at Mouje Sangaon
DAY- SECOND. DATE-13thFEB.2018.

SURVEY AT MOUJE SANGAON.

On Second day of camp survey of villagers is carried out by NSS team. Total six groups of NSS volunteers were prepared for conducting the survey of the village regarding problems in the village and villagers. There are about 5000 homes in Mouje Sangaon. During this survey information is collected related to following points.

Family's elder member's mobile phone number is recorded for S.M.S. purpose.

- .1) Family's male –Mobile no.
- 2) Any Cashless Facility installed in Own Shop.
- 3) Family's Male/Female count.
- 4) Separate Water connection.
- 5) Own Toilet.
- 6) Adhar card

All major points are covered as per the above list for the individual family

- **Organizing Department** : NSS Unit BVCOEK
- **Name of Activity** : Tree Plantation Program
- **Date of Activity** : 15^h Jan 2018
- **No. of Participants** : 25
- **Details of Activity** :

Bharati Vidyapeeth's College of Engineering Kolhapur organized a tree planting event on 16th Dec 2017. The NSS volunteers actively participated in this event. Dr.V.R.Ghorpade Principal College of Engineering Kolhapur, NSS coordinator Mr.R.B.Lokapure, head of all departments, NSS volunteers were present for this event. Various types of tree saplings, like mango, cinnamon, neem, and eucalyptus, were planted in the college premises. NSS volunteers were asked to explain to the students the importance of different trees that were planted and also talked about how planting trees helps to regulate the temperature and absorb all the carbon dioxide from the air. Mr.R.B.Lokapure guide about how planting trees helps to make the surroundings greener and how trees serve as homes to many birds and animals. He also suggested that every student should at least plant one tree per year as it will help the world to fight against global warming. The day's event was brought to an end with the coordinators vote of thanks. All the students were given a sapling each to plant at home.

Outcome of Activity : Such activities will continue to encourage younger generation for environmental awareness program which is very essential in future

- **Organizing Department** : NSS Unit BVCOEK
- **Name of Activity** : Cashless Transaction Awareness Drive
- **Date of Activity** : 5th Jan 2018
- **No. of Participants** : 20
- **Details of Activity** : The traditional form of monetary transactions happens with the exchange of physical hard cash between people. Cashless India is going to make it almost redundant. A cashless economy is one in which the liquid transactions through the system happen with the exchange of plastic currency or through digital currency. ATM debit and credit cards are plastic currency and online payments come under digital currency. In order to create awareness about this in small and local shops NSS unit of BVCOEK conducted cashless transaction Awareness Drive is conducted at R.K. Nagar Kolhapur by NSS team BVCOEK. In this student conducted a survey regarding what is the situation of small shops at R.K. Nagar regarding payment methods used in day-to-day life and promoted all for using online payment modes.
- **Outcome of Activity** : In order to use technology in day-to-day life this type of activities are useful to encourage peoples to use such drives are helpful to create social awareness among people.

- **Organizing Department** : Department of Civil Engineering
- **Name of Activity** : Environment Project-Biogas plant
- **Date of Activity** : 10th Feb 2018
- **No. of Participants** : 12
- **Details of Activity** : Second Year students of college visited a Biogas plant at Kandalgaon Kolhapur . In environmental Engineering all aspects are studied related to environment issues. In order to get practical experience of these facts few projects are carried out by students. Biogas is a renewable fuel produced by the breakdown of organic matter such as food scraps and animal waste. Find out how biogas is produced and and how it can be used to fuel vehicles, heat our homes and to generate electricity.
Students visited biogas plant at Kandalgaon Kolhapur.
- **Outcome of Activity:** Students understood importance of individual responsibility towards environment and society

- **Organizing Department:** National Service Scheme (NSS) Unit BVCOEK
- **Name of Activity:** Distributed Note book to village school children on occasion of birthday of Bharati Vidyapeeth founder Hon. Dr. Patangraoji Kadam
- **Date of Activity:** 15th Jan 2018.
- **No. of Participants:** 20 NSS Volumeters
- **Details of Activity:**

Education has become part and parcel of a person's life where it not only imparts knowledge but also helps in the economic growth and stability on both personal and national levels. After a survey by NSS volunteers of BVCOEK in rural area in Palus Taluka it was found that the number of students attending schools was drastically on a decline. The most crucial reason for this decline was the poor financial condition of the students' families. They could neither afford the education nor the stationery. The students hardly attended schools because of this matter. They could not even study which consequently increased the rate of illiteracy. With this reference Bharati Vidyapeeth's College of Engineering Kolhapur decided to help the students in villages in Taluka Palus District Sangli. NSS team of BVCOEK visited schools in rural area on occasion of birthday of Bharati Vidyapeeth founder Hon. Dr. Patangraoji Kadam saheb and distributed note books to school children. NSS Coordinator Mr.R.B. Lokapure and NSS volunteers were present for same. Total 3000 notebooks were distributed amongst school students

- **Outcome of Activity:** Volunteers learnt the importance of Voting and its effects on our Nation
