To,
Principal,
Bharati Vidyapeeth's College of Engineering, Kolhapur.

Subject:- Sponsorship and Internship for final year project of engineering.

Respected Sir,
    We are pleased to inform you that our organization " " has chosen following students for being sponsored and given Internship under our Student Development and Encouragement Program for completing their final year project.

    1. Miss. Ahtesham Makandar

    2. Miss. Aishwarya Rokade

    3. Miss. Pratiksha Kadam

    4. Miss. Madhuri Suryawanshi

    5. Miss. Bhagyashri Jankar

"Education with Automation" system is a web application used to automate the education system. This system allows faculty to teach and students to learn using internet. Faculty can check the daily attendance and details of the students. When users get admitted into the institute, system automatically generates a code which will provided to the user as an QR code. The attendance will be taken by scanning the QR code. The system implements "E-learning" in which it provides study material for the user so that user can use this study material. Using this study material user can get the knowledge and he is able to prepare himself for the tests. This system automatically generates the users graph regarding their performance.

    After completing the project we shall consider a demonstration of the project and if it fits to our organization's requirements we shall buy this project from students in the future. The expenses provided by us should be spent on the study materials, stationary and instruments required for establishing setup of the project.

Thanking You.
Regards.
