- **Date of Activity:** 15th January 2018.
- **No. of Participants:** 55 NSS Volunteers
- **Details of Activity:**

Education has become part and parcel of a person's life where it not only imparts knowledge but also helps in the economic growth and stability on both personal and national levels. After a survey by NSS volunteers of BVCOEK in rural area in Palus Taluka it was found that the number of students attending schools was drastically on a decline. The most crucial reason for this decline was the poor financial condition of the students' families. They could neither afford the education nor the stationery. The students hardly attended schools because of this matter. They could not even study which consequently increased the rate of illiteracy. With this reference Bharati Vidyapeeth's College of Engineering Kolhapur decided to help the students in villages in Taluka Palus District Sangli. NSS team of BVCOEK visited schools in rural area on occasion of birthday of Bharati Vidyapeeth founder Hon. Dr. Patangraoji Kadam saheb and distributed note books to school children. NSS Coordinator Mr.R.B. Lokpure and NSS volunteers were present for same. Approximately 3000 notebooks were distributed amongst school students

- **Outcome of Activity:** Volunteers learnt the importance of donating learning materials to school children.
