Incidences of violence over occupancy deformed cars due to a space crunch and overcharging for parking are some problems that result.. However, the better solution to the problems mentioned above is to follow and maintain rules of parking discipline. In day-to-day life we come across many situations related to parking problems which can be avoided if individually we follow the simple rules of parking discipline. With respect to this NSS unit of BVCOEK arranged Parking Discipline program in college campus with help of NSS unit of BVCOEK. In college campus also parking discipline is followed in order to inculcate habit of following rules in younger generation. Different parking slots are allocated for student parking Staff parking & Principal parking.
- **Outcome of Activity:** Arranging such activity can develop good habits in younger generation which may help to become a good citizen.
