- **Date of Activity** : 13/02/2018
- **Participants** : All N.S.S.Volunteers
- **No. of Participants** : 55
- **Details of Activity** :

On Second day of camp survey of villagers is carried out by NSS team. Total six groups of NSS volunteers were prepared for conducting the survey of the village regarding problems in the village and villagers. There are about 5000 homes in Mouje Sangaon. During this survey information is collected related to following points.

Family's elder member's mobile phone number is recorded for S.M.S. purpose.

- 1) Family's male –Mobile no.
- 2) Any Cashless Facility installed in Own Shop.
- 3) Family's Male/Female count.
- 4) Separate Water connection.
- 5) Own Toilet.
- 6) Adhar card

All major points are covered as per the above list for the individual family

Outcome of Activity : this survey helped Gram panchayat Authority to collect data of all villagers in order to convey various instructions on their mobile phones. Also come to know about problems of villagers.

- **Organizing Department** : National Service Scheme (NSS) UNIT
- **Name of Activity** : Cashless Transaction Awareness Drive
- **Date of Activity** : 5th June 2018
- **No. of Participants** : 72 NSS Volunteers,,& NSS Coordinator.
- **Details of Activity** : The traditional form of monetary transactions happens with the exchange of physical hard cash between people. Cashless India is going to make it almost redundant. A cashless economy is one in which the liquid transactions through the system happen with the exchange of plastic currency or through digital currency. ATM debit and credit cards are plastic currency and online payments come under digital currency. In order to create awareness about this in small and local shops NSS unit of BVCOEK conducted cashless transaction Awareness Drive is conducted at R.K. Nagar Kolhapur by NSS team BVCOEK. In this student conducted a survey regarding what is the situation of small shops at R.K. Nagar regarding payment methods used in day-to-day life and promoted all for using online payment modes.
- **Outcome of Activity** : In order to use technology in day-to-day life this type of activities is useful to encourage peoples to use such drives are helpful to create social awareness among people.

- **Organizing Department:** National Service Scheme (NSS) Unit BVCOEK
- **Name of Activity:** Distributed Note book to village school children on occasion of birthday of Bharati Vidyapeeth founder Hon. Dr. Patangraoji Kadam
- **Date of Activity:** 15th January 2018.
- **No. of Participants:** 55 NSS Volunteers
- **Details of Activity:**

Education has become part and parcel of a person's life where it not only imparts knowledge but also helps in the economic growth and stability on both personal and national levels. After a survey by NSS volunteers of BVCOEK in rural area in Palus Taluka it was found that the number of students attending schools was drastically on a decline. The most crucial reason for this decline was the poor financial condition of the students' families. They could neither afford the education nor the stationery. The students hardly attended schools because of this matter. They could not even study which consequently increased the rate of illiteracy. With this reference Bharati Vidyapeeth's College of Engineering Kolhapur decided to help the students in villages in Taluka Palus District Sangli. NSS team of BVCOEK visited schools in rural area on occasion of birthday of Bharati Vidyapeeth founder Hon. Dr. Patangraoji Kadam saheb and distributed note books to school children. NSS Coordinator Mr.R.B. Lokapure and NSS volunteers were present for same. Approximately 3000 notebooks were distributed amongst school students

- **Outcome of Activity:** Volunteers learnt the importance of donating learning materials to school children.

- **Organizing Department** : Department of Electronics & Telecommunication Engg.
- **Name of Activity** : Expert Talk on “Gender-equality”
- **Name of Coordinator** : Mrs.A.H.Tirmare
- **Name of Resource Person:** Mrs. Bhakti .S. Bhosale (Assistant Professor Bharati Vidyapeeth New Law College Kolhapur)
- **Date of Activity** : 12/01/2018
- **Participants** : 32 Final year Students
- **Details of Activity** : Department of Electronics & Telecommunication Engineering organized Expert Talk on “Gender-equality” for final year students. Gender sensitization is the process of transforming men and women's stereotype mentality, a mind-set that strongly believes men and women are unequal creatures that must operate in separate socioeconomic spaces. It aims to educate people on the differences between sex and gender, how gender is socially produced, and gender stereotypes. The goal of gender sensitization is to raise awareness of the relevance of gender sensitivity in the workplace among working professionals. Individuals who are not sensitive to the requirements of one gender may be unable to comprehend the needs of the other. With respect to above department of Electronics & Telecommunication Engineering arranged a session “Expert Talk on Gender-equality” conducted by Mrs. Bhakti .S. Bhosale (Assistant Professor Bharati Vidyapeeth New Law College Kolhapur).for final year students.
- **Outcome of Activity:** It is important to create awareness in students regarding gender equality which may be helpful to them in their working place
