**Organizing Department: Civil Engineering**

**Name of Activity:** National Conference on Emerging Trends in Engineering and Technology-2018

**Name of Coordinator:** Prof Kotwal S .S.

**Name of Resource Person :** Prof. M. A. Kakade, Controller of Examinations, Shivaji University, Kolhapur

**Date of Activity :** 10<sup>th</sup> march 2018

**Participants:** Leading researchers, engineers, scientists, and students.

**Details of Activity:** The purpose of national conference on Emerging trends in engineering and technology (NCETET-2018) is to bring together leading researchers, engineers and scientists in the domain of interest from India. Prospected authors are called to submit their new research papers to NCETET-2018, and share the valuable experiences with the scientist and scholars. The theme of the conference was 'Smart Technology'. All full paper submissions were peer reviewed and evaluated based on novelty, technical and/or research content, relevance with the theme and contributions. Selected Papers were published in conference proceedings with ISBN 978-93-87793-033 and same Papers were published in International journal of advance research in science and engineering with ISSN 2319-8354. More than 210 papers were received from every corner of country apart from which 132 papers shortlisted and published. Outcome: Motivation to researchers, engineers and scientists from various parts of India to work in domain of smart technology.

- **Name of Activity** : Three Days Workshop and Microsoft Certification on “Network Security”
- **Names of Coordinators** : Mrs. S. M. Mulla & Mr. V. U. Patil
- **Names of Resource Persons** : Mr. Parth Shukla and Mr. Nishant Singh, Corecode IT Solutions Pvt Ltd, Gurgaon
- **Date of Activity** : 23<sup>rd</sup> to 25<sup>th</sup> Feb. 2018
- **Participants** : S. E., T. E. & B.E. Students
- **Details of Activity:**

Three days workshop and Microsoft Certification on “Network Security” organized **in collaboration with Corecode IT Solutions Pvt. Ltd., New Delhi** from 23<sup>rd</sup> to 25<sup>th</sup> Feb. 2018. Mr. Parth Shukla and Mr. Nishant Singh, Corecode IT Solutions Pvt. Ltd., Gurgaon were resource persons of the training. All registered students of SE, TE and BE class were present. Training started with Lord Sarswati Poojan and Deep Prajwalan. Respected principal Dr. V. R. Ghorpade sir addressed all students about importance of value added courses which are organized in college for the benefit of their career. He also shared valuable information about Network Security. Mrs. S. M. Mulla madam - Head of CSE dept., delivered speech in front of students with introduction of chief guests and also she explored the contents of the workshop which is focused on Ethical Hacking and Network Security. All faculty members of the department were also present for the inaugural function which is conducted in auditorium. Mr. Nishant Singh discussed with students the upcoming opportunities in ethical hacking. Workshop was organized on Friday, Saturday, and Sunday of the week without hampering academics of the students. Total 81 students of CSE department were participated in the workshop.

- **Outcome of Activity:**

Students and faculty members were attended the training for three days which elaborates the topics like hacking psychology, operating system and hacking security, malwares, web server attacks, software reverse engineering very deeply. After completing the training successfully, Microsoft Certification exam was conducted for

registered candidates on 5<sup>th</sup> April 2018. These Certifications are very essential for final year students to upgrade their profile as well as technical skills. Students and trainers had healthy discussion to improve the overall practical knowledge of network security. They also had given valuable feedbacks to improve overall quality of workshop.

- **Names of Coordinators** : Mrs. S. M. Mulla & Mr. P. A. Kharade
- **Names of Resource Persons** : Mr. A. Shashank
- **Date of Activity** : 15<sup>th</sup> and 16<sup>th</sup> Feb. 2018
- **Participants** : B.E. Students
- **Details of Activity:**

Two days national level workshop cum championship on topic “Big Data & Hadoop” is conducted on 15<sup>th</sup> and 16<sup>th</sup> Feb. 2018. It is organized **in collaboration with AppsFluxus-2018 and ED Cell of IIT Roorkee.**

Mr. A. Shashank, Revert Technology Pvt. Ltd., New Delhi was resource person of the training. All registered students of BE class were present. Training started with Lord Sarswati Poojan and Deep Prajwalan. Respected principal Dr. V. R. Ghorpade sir addressed all students about availability of value added programmes in our department where in the students are getting trained well to enhance their curriculum. Mrs. S. M. Mulla - Head of CSE dept., gave introduction of chief guests and shared valuable information about current trends in data analytics in front of students. Also she explored the contents of the workshop which is focused on Big Data and Hadoop. All faculty members of the department were also present for the inaugural function which is conducted in Central Computing Facility. Workshop was organized on Thursday and Friday of the week. Total 33 students participated in workshop.

- **Outcome of Activity:**

Students and faculty members were participated in 2 days workshop cum championship on Big Data & Hadoop which covered the topics like Introduction to Big Data Analytics, Learn to write complex MapReduce programs, perform data analytics

using Pig and Hive etc. After completing the workshop successfully, exam was conducted for selection of students for grand finale round of championship.

Following students were selected and called as merit participants for championship. Also few students got entry in competition through wild card registrations.

- **Name of Coordinator:** Mr. S.S.Pawar and Mr. U.S.Sagare
- **Name of Resource Person:** Mr. Mohan Kondale, Vedam Labs, Solapur.
- **Date of Activity:** 1<sup>st</sup> and 2<sup>nd</sup> February 2018
- **Participants:** Registered Final (B.E) and Pre-final (T.E) year students
- **Details of Activity:** Two days' workshop on “**Arduino Based Design and Applications**” was organized by Department of Electronics and Telecommunication Engineering for registered Final (B.E) and Pre-final (T.E) year students. The resource person was Mr. Mohan Kondale, Vedam Labs, Solapur. Introduction of Arduino board and software was given to participate. Programming and interfacing of various devices such as LED, LCD, Seven segment displays, GPS, GSM, Bluetooth, RFID card, Stepper motor, DC motor etc. to Arduino board was explained with demonstration in two days of workshop. Building of small projects was also carried out during practical's sessions.
- **Outcome of Activity:**
  1. Students are able to understand Arduino hardware and software platform.
  2. Students are able to interface various devices with Arduino board and write program for the same.
  3. Students are able to build small electronics projects for specific applications.

7. **Details of Activity:** Technical event “**TechoSpark2K18**” was organized by Department of Electronics and Telecommunication Engineering for U.G. and Diploma final year students. Under this TechoSpark2K18 there are three sub events are as follows

Sr. No	Name of Event	Details of Event
1	Project Expo	Project Expo was the star-attraction out of all other events. Participations were from different colleges in Kolhapur as well as Sangli district. We had about 15 in Novice group and 35 in Expert group team registrations with each team having 3/4 members. First 2 position holders were

		announced in each categories winners, Runner-up and were awarded with a certificate and cash prize of 1000/- and 500/-
2	$\mu C$ Master	Participants participated in teams of two and performed exceptionally well. There were two rounds first was MCQ and Second on provided problems, and were asked to write code and build. First 2 position holders were announced in each categories winners, Runner-up and were awarded with a certificate and cash prize of 1000/- and 500/-
3	Ckt Design	Participants participated in teams of two and performed exceptionally well. There were two rounds first was MCQ and Second on provided problems, and were asked to draw circuit and implement. First 2 position holders were announced in each categories winners, Runner-up and were awarded with a certificate and cash prize of 1000/- and 500/-

#### 8. Outcome of Activity:

1. Students are able to work in team environment.
2. Students are able to apply the knowledge acquired during their course of study.
3. Students are able to identify, formulate and solve a real world problem.
4. Students are able to communicate effectively.

- **Name of Activity:** Visit to All India Radio, Kolhapur
- **Name of Coordinator:** Mr.R.R.Suryawanshi
- **Date of Activity :** 24<sup>th</sup> March 2018
- **Participants:** Second Year Students
- **Details of Activity:** The Department of Electronics & Telecommunication successfully organized Visit to AIR for the SE students of ETC branch. The visit was scheduled on 24/03/2018 . Around 41 no. of students and 3 faculty members visited AIR.

The main objective of this visit is to have practical exposure for students in field of radio broadcasting & opportunities available to them in field of radio communication. The visit is divided into two parts. First we visited AIR head office located at tarabai park, kolhapur. The AIR head office has different sections like Studio room, editing room, announcement room, control room, remote AC room etc. The Assistant Engineer Mrs.S.C.Dharmadhikari guided our students regarding how recording of programme is done in studio, how editing is done using software tools and signal transmission is done. After that we visited AIR transmitter which is located at Panhala, there our students understood how actually radio signal transmission is done through antenna and type of backup available ,if master system fails. The informative visit and practical session were valuable to our students.
