### a.3 Encouragement for Competency enhancement of faculty

#### Context:

Education is the backbone of any economy and educators are the biggest assets of the education system. Their competence development is very important. In order to prepare tomorrow's professionals for challenging and rewarding careers, the role of faculty in higher education is of exceptional importance. A professional teacher should possess essential competencies that develop as a result of changing needs of our educational community, student's diversity and industrial growth. These competencies will serve as basis for one's development as a teacher. the faculty members need to adapt to the technological developments in the allied areas to be highly competent. In regard this institute encourages faculty to upgrade qualification, attend FDP, NPTEL, Swayam, MOOCs etc.
