- **Organizing Department:** Mechanical Department.
- **Name of Activity:** Celebration of National Pollution Control Day 2022.
- **Name of Event Coordinator:** Prof. Jitendra G. Shinde
- **Date of Activity:** 02/12/2022
- **Participants:** SY, TY and B. Tech final year students of all branches.
- **Details of Activity:** Mechanical department has organized a National Pollution Control day program under the Institution Innovation Council for all the SY, TY and B. Tech students of all the branches. The activity was planned with help of the students, teaching staff and H.O.D's. Students actively participated from various branches and were divided into groups and were allotted to clean various areas in the campus. The campus cleaning day was very much effective, since the students could collect almost the entire plastic waste from the campus.
- **Outcome of Activity:** National Pollution Control Day was celebrated in order to observe and to bring awareness among students about environmental pollution and its negative impacts on our health and planet. Pollution caused due to uses of plastic are degrading quality of soil and killing marine lives incessantly. The day spread education on how to manage and control plastic waste to prevent pollution caused due to human negligence.

- **No. of Participants** 25
- **Details of Activity** :

Bharati Vidyapeeth's College of Engineering Kolhapur organized a tree planting event on 16th Dec 2017. The NSS volunteers actively participated in this event. Dr.V.R.Ghorpade Principal College of Engineering Kolhapur, NSS coordinator Mr.R.B.Lokapure, head of all departments, NSS volunteers were present for this event. Various types of tree saplings, like mango, cinnamon, neem, and eucalyptus, were planted in the college premises. NSS volunteers were asked to explain to the students the importance of different trees that were planted and also talked about how planting trees helps to regulate the temperature and absorb all the carbon dioxide from the air. Mr.R.B.Lokapure guide about how planting trees helps to make the surroundings greener and how trees serve as homes to many birds and animals. He also suggested that every student should at least plant one tree per year as it will help the world to fight against global warming. The day's event was brought to an end with the coordinators vote of thanks. All the students were given a sapling each to plant at home.

Outcome of Activity : Such activities will continue to encourage younger generation for environmental awareness program which is very essential in future
