**DEPARTMENT OF CIVIL ENGINEERING**

*Organising*

NATIONAL CONFERENCE on 'Emerging trends in Engineering and Technology'(NCETET-2018)

Sr. No.	Department	Topics for conference
1	Civil Engineering	1.Construction materials
		2.Construction Technology
		3.Remote sensing and GIS technology
		4.Intelligent Transport System
		5.Sustainable Infrastructure Development
		6.Automation in Civil Engineering
		7.Water supply and Sanatary Engineering
		8.Advance trends in Geotechnical Engineering
		9.Land and Construction Surveying
2	Computer Science and Engineering	1.Internet of Things
		2.Big Data & Hadoop
		3.Data Mining, Databases and Warehousing
		4.Cloud Computing
		5.Cyber Crime & Network Security
		6.Mobile Adhoc Network
		7.Web, Semantic Web and Ontologies
		8.Bio-Informatics, Image Processing
3	Electronics and telecommunication Engineering	1.Algorithms, Profiling and Optimization
		2.Information Security and Cryptography
		3.Software Engineering, Testing and Reliability
		4. Internet of Things (IoT)
		5. Microwave
4	Mechanical Engineering	1. Advance in Thermal Engineering
		2. Automation , Robotics and Mechatronics
		3. CAD/CAM/CAE
		4.Energy Science and Engineering
		5. Nano-Technology
		6.Recent Trends in Manufacturing
