

### Institute Level Activity Report 2024-25

Sr. No.	Date	Event	Name & Deg. of Resource Person	Details of Event / Speech contents of Guest	Coordinator Name	Department	Event Type
1	02-08-2024	Guest Lecture on Computer Vision	Mr. Kiran Kamble, Data scientists at ML / DL / Computer vision Dept., Coditiation Pvt Ltd. PhD research scholar, Shivaji University Kolhapur.	Students were able to learn about basic image processing. It mainly transforms an image into a digital form and performing certain operations to get some useful information from it. Workshop was helpful for the students to 1. Understand Geometric primitives and transformation 2. Plot images, points and lines 3. Image contours and histograms 4. Classify an images using annotations 5. Transformation image	Mrs. Yashaswini Kadiyal	CSE (AIML)	Co-Curricular
2	08-08-2024	Introduction to first Programming Language	Mr. Jayesh Jadhav, Final Year B.Tech (AIML) Students,BVCOEK	Students were able to learn about C and C++ Programming Technique. The workshop was highly beneficial, equipping students with foundational programming knowledge and practical insights into the tech industry. Students left with a better understanding of coding principles and felt more prepared for their academic and professional journeys in computer science and engineering.	Mrs. Kushal P.Kulkarni	CSE (AIML)	Technical
3	10-08-2024	Friendship day celebration	Dr.V.R.Ghorpade	The program began with welcoming the gathering and introducing the theme of the day's program which was "Friendship day celebration" This was followed by the address of the Principal, Dr. V.R.Ghorpade. He warmly welcomed everyone to the program and explained the importance of Friendship in life. One of the highlights of the program was the "Friendship Wall," where students expressed their thoughts, messages, and appreciation for their friends through creative notes. A short cultural segment including songs, dance performances, and fun skits added entertainment to the celebration. Faculty members also joined the activities, fostering a friendly and supportive atmosphere. The event concluded with a token of appreciation distributed among participants and a group photo session capturing joyful moments.	Ms.P.S.Mali	E & TC	Non Technical
4	13-08-2024	Seminar on Learn to apply for internship	Mr. Chetan Somwanshi and Team, Final Year B.Tech (AIML) Students,BVCOEK	Internship is meant for introducing candidates either full-time or part-time to a real world experience related to their career goals and interests. Internships can be done during the academic semester and or summer depending upon the spaced-out curriculum. The seminar covered how to apply an internship using various platforms including AICTE, LinkedIn, Unstop, and Intershala and so on.	Ms. Anjali M. Yadav	CSE (AIML)	Technical

5	22-08-2024	Two Days workshop on Cloud Computing	Mr. Sachin Patil,CEO, Intia Agritech , Executive Trainer in Private Sector & Info Grow Solutions Pvt Ltd. Kolhapur.	Workshop was helpful for the students to 1. Understand Industry-Relevant Skills Development. 2. Gain insights into how companies leverage cloud computing for efficiency, scalability, and innovation, helping them understand industry applications beyond theoretical concepts. 3. Gain hands-on experience with essential cloud tools, virtualization platforms, and management techniques, which are commonly required in industry roles but not always covered in academic curriculum. 4. Focus on Cloud Security and Compliance. 5. By introducing students to industry-leading cloud service providers like AWS, Google Cloud, and Azure, the workshop familiarizes them with the platforms they are likely to encounter in professional roles, making them industry-ready	Mrs. Kushal P. Kulkarni	CSE (AIML)	Technical
6	30-08-2024	Inauguration Ceremony of AIML Student Association	Mr. Nishant Gondhali Professor, Singer, Writer, Arranger, Poet, Anchor	Through this event the students learnt about teamwork and dedication that goes into working together. These activities develop the personality of the students showcasing their leadership qualities and assist them in shaping a good career. 1. Students should learn about the teamwork and dedication 2. Students should Develop the skills to work effectively in multi-disciplinary teams 3. Students should develop the personality & increase their confidence and assist them in shaping a good career 4. Students should reflects their social and ethical responsibilities in their professional life	Mrs. Yashaswini Kadiyal	CSE (AIML)	Technical
7	03-09-2024	Seminar on Linux Unlocked	Mr. Abhay Patil and Mr. Affan Tamboli, SY B.Tech (AIML) Students,BVCOEK	Linux is the most preferred operating system for mobile phones, tablet computers, network routers and video games, and is used by 95% of the world's fastest supercomputers. Participants gained valuable insights into use of Linux OS, difference between windows. Enhance students Linux Skills. Students are able to understand the functioning of the Linux Operating Systems and the Linux commands.	Ms. Anjali M. Yadav	CSE (AIML)	Technical
8	04-09-2024	Inauguration of MESA activity	Prof.Dr.Annasaheb Moholkar ,Shivaji University ,Kolhapur	Mechanical Engineering student association form on 20th Sep2024 .Innaguration of MESA activity start with the speech of researcher ( 2% in Worlds researcher ranking) Prof. Dr. Annasaheb Moholkar .within speech he focus on research and methodology of research, he again explain output of combination of science and Mechanical Engineer..	Mr.A.P.Kadam	Mech.	Technical
9	05-09-2024	PARENTS' MEET 2024-25 SEM-I	Principal Dr. V. R. Ghorpade	Guideline by Principal sir		Mech.	
10	10-09-2024	Navratri Mahostav celebration with DANDIA.	Vice Principal Dr.J.K.Patil	On occasion navratri mahostav and demand of the students , College conducted DANDIA on 10th Oct 2024 at 5.00 pm to 7.30 pm in college campus ,about 600 students predicated in DADIA dance.	Mr.A.P.Kadam	Mech.	Social &cultural

11	18-09-2024	Workshop on Teaching Methodology Aligned with NEP Syllabus	Dr. V. R. Ghorpade, Principal, BVCOEK	Through this workshop faculty members and subject experts enhance the structure and course design for SY B. Tech CSE(AIML) and also focus on aligning the curriculum with current technological advancements, emerging trends in computer science and AIML. Each subject expert also gave their valuable insights and helped in setting syllabus for the upcoming curriculum. Each faculty member also contributed their unique perspective on how to prepare students for both academic success and real-world challenges.	Mr. N. S. Kadam	CSE (AIML)	Technical
12	19-09-2024 to 26-09-2024	Student Induction Programme & Fresher's Welcome	1) Dr. D. N. Devmore (D. Y. Patil College ,Kolhapur) 2) Mr. Sagar Bagade (National Teacher Award-2024) , 3) Dr. Gopal Aironi (Heartfulness Educational Trust, Kolhapur) , 4) Dr. Sujay Patil (Kamala College ,Kolhapur ) 5) Dr. Bhakti Bhosale (New Law College,Kolhapur ) 6) Mrs. Neelangi Kadam (New Law College ,Kolhapur)	The objective of the programme is to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large and nature. The major activities under the induction programme in which the students would be fully engaged throughout the day for the entire duration of program include: 1. Physical Activity 2. Creative Arts: 3. Universal Human Values 4. Literary: 5. Lectures by Eminent People 6. Visits to local area	Mrs. S.S. Shinde	first Year / General Engineering	Co- Curricular
13	27-09-2024	Kagal Jal Shudhikaran Kendra,5 Strat MIDC Kagal Kolhapur Visit	Mr.Gautam Kamble SCADA Engineer	On 27th Sept.2024,a group of 47 students of Third year from department of Electronics and telecommunication Engineering visited Kagal Jal Shudhikaran Kendra,5 Strat MIDC Kagal Kolhapur Maharashtra as part of curriculum of Shivaji University Kolhapur to bridge the gap between theoretical knowledge and practical application in industrial automation under subject Open Elective-I.	Mr.V.D.Patil,Mr.V.S.Mandlik, Ms.P.S.Patil	E & TC	Technical
14	28-09-2024	Two Days Hands-on Workshop on Application of Embedded Design & IoT"	Mr.Sarvajeet A. Bhosale, AMGOI Vathar	Two Days Hands-on Workshop on "Application of Embedded Design & IoT" was organized by Department of Electronics and Telecommunication Engineering, for Students of Final Year & Third Year from 28th September 2024 to 29th September 2024. Approximately 39 students participated in this workshop. The main objective of this workshop was to enhance the practical knowledge of the participants in the area of Embedded Systems and IoT. The two - day workshop comprised of introduction lecture and hands on sessions to understand the fundamentals of Embedded design and IoT.	Mr. R.R.Suryawanshi & Mrs.A.H.Tirmare	E & TC	Technical

15	05-10-2024	ETSA 2K24 Inauguration	Dr.Ranjit Sawant College of Engineering,Kolhapur) (Government	The association of Electronics & Telecommunication Engineering Department "ETSA" has been inaugurated on 5thOct.2024 for the academic year 2024-25 by the chief guest Dr.Ranjit Sawant sir (Government College of Engineering,Kolhapur).The inauguration started with Saraswati poojan. Program coordinator Ms.P.S.Mali has delivered welcome address. The honorable Principal of the institution Dr.V.R.Ghorpade has addressed students. Our E&TC HOD Dr.K.R.Desai welcomed the chief guest. President ETSA 2024-25 Mr.Kartik Kamble has taken the privilege and introduced his team. Chief guest of the day has share their experience.	Ms.P.S.Mali	E & TC	Non Technical
16	05-10-2024	Parents Meet Sem I	Dr. V. R. Ghorpade Principal, BVCOEK	As per regular practice, in this semester we have organized Parent Meet at Seminar Hall. The purpose of meeting is to have an interaction between Parents, Teacher & Students on various topics. The discussion was done on student's academic performance, their participation in academic activities as well as various co-curricular, extra-curricular and training-placement activities.	Mrs. Yashaswini Kadiyal	CSE (AIML)	Non- Technical
17	16-10-2024	Visit to All India Radio, Kolhapur		The Department of Electronics & Telecommunication successfully organized Visit to AIR for the SE students of ETC branch. The visit was scheduled on 16/10/2024. Around 44 no. of students and 2 faculty members visited AIR. The main objective of this visit is to have practical exposure for students in field of radio broadcasting & opportunities available to them in field of radio communication. The visit is divided into two parts. First we visited AIR head office located at tarabai park, kolhapur. The AIR head office has different sections like Studio room, editing room, announcement room, control room, remote AC room etc. The Assistant Engineer Mr.Prashant Saraf guided our students regarding how recording of programme is done in studio, how editing is done using software tools and signal transmission is done. After that we visited AIR transmitter which is located at Panhala, there our students understood how actually radio signal transmission is done through antenna and type of backup available, if master system fails. The informative visit and practical session were valuable to our students	Dr.K.R.Desai and Mr. V.D. Patil	E & TC	Technical
18	22-10-2024	Guest Lecture On "Introduction to Environment science and Disaster Management "	Mr. Shivaji.M. Nerli	The purpose of arranging this lecture is to remind students for their dutier towards nature conservation and to be a good citizen in life.	Mr. R.B. Lokapure And Ms. G.S. Ghorpade	first Year / General Engineering	Non Technical
19	14-12-2024	Parent Meet	Dr. V. R. Ghorpade (Principal )	As per regular practice, in this semester we have organized Parent Meet at Seminar Hall. The purpose of meeting is to have an interaction between Parents,Teacher & Student on various topics. The discussion was done on student's academic performance,their participation in academic activities as well as various co-curricular, extra-curricular and training-placement activities.	Mr. A.S.Patil	first Year / General Engineering	Non Technical

20	09-01-2025	"Manuskichi Bhint" a social program	Principal Dr.V.R.Ghorpade	"Manuskichi Bhint" a social program organized by Mechanical Department on occasion of birth anniversary of Dr.Patangrao Kadam saheb.In this program old cloths in good condition collected from students, faculties and staff and disturbed to needy peoples in Kolhapur	Mr.A.P.Kadam	Mech.	Social
21	11-01-2025	Organization of Blood Donation Programme On Occasion Of Birthday Of Hon.Dr.Patangrao Kadam& Dr.Visvajeet Kadam	Principal Dr.V.R.Ghorpade,Pharmacy college Principal Dr.H.N.More	On occasion of Birthday of Hon. Dr.Patangrao Kadam and Dr.Visvajeet Kadam, our Bharti vidyapeeth college of Engineering arranged Blood donation camp on Dt-11/01/2025. From 09.00 am to 1.00 pm.	Mr.R.B.Lokapure	Mech.	Social
22	13-1-2025	Donation of Essential Groceries to Bal kalyan Sankul	Dr. V. R. Ghorpade (Principal )	To Support the under privileged children at Bal Kalayan.	Mr. B.T.Mohite	first Year / General Engineering	Non Technical
23	14-01-2025	Health Awareness Program & Health Check-up Camp for Girls	Dr. Pravin Hendre M.D. (Obstetrics and Gynaecology)	Health Awareness Program and Health Check-up Camp for Gir's to promote health and well-being	Mrs. S. M. Mulla	CSE (AIML)	Non- Technical
24	15-01-2025	E-Waste Management	Mr.Manoj P.Mehta (Chief Promoter & Founder CMD Mahalaxmi e Recyclers Pvt.Ltd.Kolhapur)	On the occasion of Birth anniversary of Hon.Dr.Patangraoji Kadam Saheb and Birthday of Hon.Dr.Vishwajeet Kadam Sir Department of E & Te organized Seminar on "e-Waste Management"on15th Jan.2025.The Resource person gave overview about E-Waste Management process.E-waste comprises of wastes generated from used electronic devices and household appliances which are not fit for their original intended use and are destined for recovery, recycling or disposal. Such wastes encompasses wide range of electrical and electronic devices such as computers, hand held cellular phones, personal stereos, including large household appliances such as refrigerators, air conditioners etc.	Dr.K.R.Desai	E & TC	Technical
25	30-01-2025	Industrial Visit	KPCL-Bellary Thermal Power Station, Karnataka, Hospet, Vijapur, Hampi	An industrial visit to the Karnataka Power Corporation Limited (KPCL) – Bellary Thermal Power Station (BTPS) provided an enriching experience for students to understand the real-time operations of a coal-based thermal power plant. Located in Kuduthini, Bellary district, BTPS is one of the major power generating units in Karnataka	Mr. N. S. Kadam	CSE (AIML)	Co-Curricular
26	11-02-2025	Guest lecture on " Carrier in Piping Design	: Mr. M.R.Joshi , Mr.Pramod Deshmukh	Creating Awareness about different courses and job opportunity in piping design industry.	Mr.A.A.Desai	Mech.	Technical
27	19-02-2025-	Celebrating "Chhatrapati Shivaji Maharaj JayantiDr.V.R.Ghorpade,Principal		Disarmament of Mechanical Engineering organized Cha. Shivaji Maharaj Jayanti on 19th Feb. 2025.On this day Dr.V.R.Ghorpade,Principal given speech on Engineering of Cha.Shivaji Maharaj.	Mr.A.P.Kadam	Mech.	Social
28	28-02-2025	National Science Day	Dr. V. R. Ghorpade (Principal )	The objective of the programme is to make the students aware of the importance and conception behind celebrating the National Science Day.	Mrs. S.S. Shinde	first Year / General Engineering	Co- Curricular

29	28-02-2025	TechnoBharati2025	Dr.S.K.Patil (Principal,Govt. College of Engg.kop.)	Bharati Vidyapeeth's College of Engineering, Kolhapur organised in collaboration with <b>ISTE, New Delhi</b> , the National level technical event called "Techno Bharti 2025" on 28th February 2025 to showcase the talents of the students. Under this event Every department conduct sub-event with various other sub-event under their department event. All departments have technical as well as non-technical events which help students to showcase their skills.	Prof.S.B.Kamble	Mech.	Technical
30	28-02-2025	Techno - Bharati - 2025	Dr. V. R. Ghorpade (Principal )	Technical event "Techo Bharati2025" was organized by Department First year students. Under this two event conducted 1)Poster Competition 2) Science Quiz	Mr. J.C.Thorat	first Year / General Engineering	Co- Curricular
31	28-02-2025	TechnoBharati 2K25 - Infusion AI	Dr. S. K. Patil , Principal GCOE, Kolhapur	This event aims to bring together students, researchers, and tech enthusiasts to explore the latest advancements in technology. The event will feature hands-on workshops on AI and Machine Learning, coding and debugging challenges, tech talks, and a panel discussion on emerging trends. Participants will also have the opportunity to showcase their projects, test their knowledge through a tech quiz, and engage in an AI-powered hackathon.	Ms. A. M. Yadav	CSE (AIML)	Co-Curricular
32	17-03-2025	Entrepreneurship Awareness Program	Mr.Balkrishna Sidgonda Shimpukade	Bharati Vidyapeeth's College of Engineering, Kolhapur guest lecture on Entrepreneurship Awareness Program under Student Club Activity. Entrepreneurship Awareness Program (EAP) aims to educate individual about entrepreneurship, its benefits, and the process of starting and running a business	Mr.S.B.Kamble	Mech.	Technical
33	22-03-2025	PARENT'S MEET 2024-25 SEM-II	Principal Dr. V. R. Ghorpade		Mr.A.R.Jadhav	Mech.	
34	22-03-2025	Parents Meet Sem II	Dr. V. R. Ghorpade, Principal, BVCOE, Kolhapur	As per regular practice, in this semester we have organized Parent Meet at Seminar Hall. The purpose of meeting is to have an interaction between Parents, Teacher & Students on various topics. The discussion was done on student's academic performance, their participation in academic activities as well as various co-curricular, extra-curricular and training-placement activities.	Mrs. Y. A. Kadiyal	CSE (AIML)	Non Technical

35	27-03-2025	Seminar on "Atmospheric Instrumentation"	Mr.Rohit Patil	The Department of Electronics and Telecommunication Engineering formed the club "ATHENA" on 1st September 2023. The word "ATHENA" means the goddess of wisdom, skills, and knowledge. The purpose of this club is to encourage students to develop innovative solutions, explore new ideas, solve problems, and organize expert talks to improve their practical knowledge. Under the ATHENA club, in collaboration with the Entrepreneur Development Cell, the ETC department organized a session on "Atmospheric Instrumentation" on 27th March 2025. Mr. Rohit Patil (Project Scientist, Indian Institute of Tropical Meteorology, Pune) was the resource person for this session. He guided students on atmospheric instrumentation, which is used to measure and study various atmospheric parameters such as temperature, pressure, humidity, wind, radiation, and atmospheric composition. These instruments, ranging from simple weather tools to advanced remote sensing devices, play a crucial role in understanding and predicting weather patterns, climate change, and air quality. He also explained startup opportunities in this field.	Mrs.A.H.Tirmare Mr.S.S.Pawar	E & TC	Technical
36	29-03-2025	Parent Meet	Dr. V. R. Ghorpade (Principal )	As per regular practice, in this semester we have organized Parent Meet at Seminar Hall. The purpose of meeting is to have an interaction between Parents, Teacher & Student on various topics. The discussion was done on student's academic performance, their participation in academic activities as well as various co-curricular, extra-curricular and training-placement activities.	Mr. A.S.Patil	first Year / General Engineering	Non Technical
37	29-03-2025	Parents meet sem-II	Dr. V. R. Ghorpade Principal, BVCOEK. Dr.K.R.Desai (HOD)	As per regular practice, in this semester we have organized Parent Meet on 29th March 2025 at Seminar Hall. The purpose of meeting is to have an interaction between Parents, Teacher & Student on various topics. The discussion was done on student's academic performance, their participation in academic activities as well as various co-curricular, extra-curricular and training-placement activities. The departmental presentation is given by Dr. K. R. Desai. Parents also expressed their views; share their experience with institute and also given valuable suggestions to us. At the end, we have taken feedback/suggestions from parents through Feedback form.	Ms.P.S.Mali	E & TC	Non Technical
38	07-04-2025	Seminar on Applications of AIML using MATLAB and Simulink	Mr. Ankit Kumar, Application Engineer DesignTech Systems Pvt Ltd, Pune	Through this event the students learnt about: 1. AI Workflow in MATLAB 2. Machine Learning in MATLAB 3. Regression Learner App and Classification Learner app in MATLAB 4. End to End workflow 5. Hands - on exercise 6. OTS Courses.	Mr. S. A. Patil	CSE (AIML)	Technical

39	17-04-2025	11th National Conference On Emerging Trends in Engineering And Technology (NCETET-2025)	Dr. Udhav Bhosle Hon'ble Vice-Chancellor, SG University, Kolhapur	The purpose of National Conference on Emerging Trends in Engineering & Technology (NCETET-2025) is to bring together leading researchers, engineers & scientists in the domain of Engg. & Tech. The theme of conference is Shaping the Fut Future: Innovation and Impact. All full paper will be peer research content. Selected paper will be published in conference proceedings with ISBN number	Mrs. S. M. Mulla	CSE (AIML)	Technical
