

Sr. No.	Date	Event	Name & Deg. of Resource Person	Details of Event / Speech contents of Guest	Coordinator Name	Department	Event Type
1	8th August 2023	Opportunity for E & TC Engineers in foreign countries	E & TC Engineers in foreign countries Mr.Pritam D.Desai (Lecturer Mai-Nehfi College of Engineering & Technology Asmara,Eritrea	Department of Electronics & Telecommunication organized expert talk on 'Opportunity for E & TC Engineers in foreign countries' on 8th Aug. 2023 for TY and final year student of ETC department. Expert talk was conducted by resource person Mr.Pritam D. Desai (Lecturer Mai-Nehfi College of Engineering & Technology Asmara,Eritrea.This session includes guidelines for career opportunities available for engineering graduates in foreign countries and other competitive examination.The resource person gave an overview of the exams to be undertaken and the factors to be considered to admission process.He also gave a glimpse of newer course programs and its future scope.He kept the students involved in the conversation by sharing his experience.	Dr.K.R.Desai	Electronics and Telecommunication Engineering	Technical
2	25 th August 2023	Seminar on Project Selection	Mr.Anushka Benadikar Mr.Raj Salunkhe	The seminar would have a specific theme or focus, which could be related to a particular field of study, industry, or problem area. The purpose of the seminar might be to encourage students to develop innovative solutions, explore new ideas, or address real-world challenges within the chosen theme.	Mr.V.D.Patil		Technical
3	7 th July 2023	Starbucks Coffee Demo	Starbucks Coffee Kolhapur	Starbucks is an American company that operates the largest coffeehouse chain and one of the most recognizable brands in the world. Headquartered in Seattle, Washington, the company operates more than 35,000 stores across 80 countries. Starting in the 1990s, Starbucks began promoting coffee as a holistic experience that combined ambiance, community, function, and lifestyle. By transforming people's perception of coffee and coffeehouses, Starbucks achieved outside growth and established itself as one of the most dominant names in the coffeehouse industry. Department of E&Tc organized Starbucks Coffee demonstration.Students enjoyed session apart from academics for stress relief.	Ms.P.S.Mali		Non Technical
4	1 st Sept.2023	Formation of student Club ATHENA		The Purpose of formation of club is to encourage students to develop innovative solutions,exploring new ideas,solve new problems,and keep the team working together.The word "ATHENA"means the goddess of wisdom,skills and warfare.	Mr.A.R.Kittur		Technical
5	2 nd Sept.2023	Yoga Day	Ms.Urmila Sunil Patil	Celebrating Yoga Day to promote the physical, mental, and spiritual benefits of practicing yoga. Yoga is an ancient practice that originated in India and has gained popularity worldwide for its holistic approach to health and well-being.	Dr.K.R.Desai		Non Technical

6	4 th Sept.2023	Start-ups & Entrepreneurship Development Workshop	Dr.P.D.Raut,Dr.R.G.Pawar, Mr.Pamod Kamble	Shivaji University conducted"Skill Development workshop"on 22nd August 2023.In this workshop it is decided that,University will conduct different programs,competitionn and workshops on skill development,start-ups and Enterprenurship for students in different affiliated collages.On this note,our College arranged "Start-ups & Entrepreneurship Development Workshop"on 4th september 2023.	Mr.A.R.Kittur	Technical
7	5 th Sept.2023	Teachers Day Celebration	Dr.V.R.Ghorpade	Teachers day is a special day for the appreciation of teachers and may include celebrations to honor them for their special contributions in particular field area or the community in general. Final year students conducted lectures and practical sessions for SY and TY. It is one such occasion where the students make their teachers feel special. Students gave speech to express their views about teachers.	Ms.P.S.Mali	Non Technical
8	11 th Sept.2023 to 13 th Sept.2023	Training Program on "VLSI Technology"	Mr.Suryakant Dodmise,CEO,SIBIC,Kolhapur	To Technical workshop on VLSI Technology with VHDL Simulation and Verification on FPGA aim to understand the technology and to design the VLSI chips. The details of workshop covers the content as follows 1. Growth of Semiconductor Industry and need of Skilled Man Power · Introduction · Emerging areas making exciting innovations · Semiconductor Industry will become game changers · Shortage of Skilled Semiconductor Workforce · How to fill up this gap? 2. Introduction to VLSI Technology and VHDL 3. Digital Logic Technology · Combinational Logic Principle · Sequential Logic Principle 5.Introduction to HDL - Hardware Descriptive Language 6. VHDL for sequential and Combinational Circuits 7. Simulation using VHDL and complete VHDL Flow 8. Design Flow with Xilinx Brief about FPGA Architecture and Physical Verification 9. Implementation with FPGA	Mrs.A.H.Tirmare Mr.S.S.Pawar	Technical

9	15th Sept.2023	IFM Electronics India Pvt Ltd,GokulShirgaon MIDC,Kolhapur	Harshal Kulkarni (Manager IFM Electronics India Pvt Ltd, Gokul Shirgaon MIDC, Kolhapur)	Industrial visit to IFM Electronics India Pvt Ltd, Gokul shirgaon MIDC was organized by Department of Electronics and Telecommunication Engineering , for Students of Final Year on 15th September 2023. Two Project groups with 03 members (Total 06 Students) and 01 faculty members participated in this visit. IFM Electronics India Pvt Ltd is one of the leading industry in the field of industrial sensors manufacturing. They are manufactures of different sensors like inductive sensor, capacitive sensor, magnetic sensor, ultrasonic sensor, flow sensor, level sensor etc.The main objective of this visit is to provide training and demo on various types of industrial sensors and their applications in industries. The visit focuses on the acquiring practical knowledge of various sensors with its working principle and how this knowledge can be used during implementation of their final year project.	Mr.R.R.Suryawanshi	Technical
10	21 st Oct.2023	Parent's Meet	Dr. V. R. Ghorpade Principal, BVCOEK. Dr.K.R.Desai (HOD)	As per regular practice, in this semester we have organized Parent Meet on 21st Oct.2023 at Seminar Hall. The purpose of meeting is to have an interaction between Parents,Teacher & Student on various topics. The discussion was done on student's academic performance,their participation in academic activities as well as various co-curricular, extra-curricular and training-placement activities. The departmental presentation is given by Dr. K. R. Desai. Parents also expressed their views; share their experience with institute and also given valuable suggestions to us.At the end, we have taken feedback/suggestions from parents through Feedback form.	Ms.P.S.Mali	Non Technical
11	1 st Nov.2023	E-Waste Management	Mr.Sidharth Patenkar (President Rotary Clube of Kolhapur)	Bharati Vidyapeeth's college of Engineering Kolhapur in collaboration with Rotary club Kolhapur has been taking multiple initiatives for sustainable environmental solutions. We collect e-waste (any electrical and electronic equipment including CDs, remote controls,chargers etc.) from students, teachers and staff of the College in a bin installed near the E& Tc Department. The waste is collected and would be given to Rotary club Kolhapur. The E-waste was last picked up on 10th Nov. 2023. Rotary Club works on waste management and help in providing livelihood opportunities to waste collectors and other stakeholders.The collected waste would be recycled and processed in an environment safe manner. Members of the College community regularly contribute their E-waste instead of selling to a scrap dealer .	Dr.K.R.Desai	Technical

12	12 th Jan.2024	Donating Painting ISLE to Chetna Vikas Sansth		On the occasion of Birth anniversary of Hon'able Dr.Patangraoji Kadam Saheb and Bithday of Hon'able Dr.Vishwajeet Kadam E&TC Department of Bharati Vidyapeeth's College of Engineering Kolhapur donated painting ISLE to Chetana Vikas Sanstha useful for students for painting.Vice Principal Dr.J.K.Patil, HOD of E&TC Dr.K.R.Desai,ETC coordinator Ms.P.S.Mali,ETSA Committee Students visited Chetana Vikas Sanstha and ineracted with students and donated Painting ISLE.	Ms.P.S.Mali	Non Technical
13	21 st Feb.2024	Seminar on IT sector trends and innovations	Mrs.Payal Ghadge(Growth Alchemist Training/open Infotech	Department of E & TC Engineering has organized Seminar on IT sector trends and innovations in the rapidly evolving field of Information Technology, staying abreast of the latest advancements is crucial for students' success. A seminar focused on IT sector trends and innovations would be instrumental in enhancing students' knowledge. A seminar of this nature would provide valuable insights, empowering the skills necessary to navigate the ever-changing landscape of the IT industry.	Mr.V.S.Mandlik Mr.V.D.Patil	Technical
14	28 th Feb.2024	TechnoSpark2K24	Dr. V. R. Ghorpade Principal, BVCOEK. Dr.K.R.Desai (HOD)	Technical event "TechoSpark2K24" was organized by Department of Electronics and Telecommunication Engineering for U.G. and Diploma final year students. Under this TechoSpark2K24 there are four sub events are as follows 1. Project Expo 2.µ Master 3.Ckt Master 4.eFootball C	Mr.V.D.Patil	Technical
15	23 rd March 2024	Parent's Meet	Dr. V. R. Ghorpade Principal, BVCOEK. Dr.K.R.Desai (HOD)	As per regular practice, in this semester we have organized Parent Meet on 23 rd March 2024 at Seminar Hall. The purpose of meeting is to have an interaction between Parents,Teacher & Student on various topics. The discussion was done on student's academic performance,their participation in academic activities as well as various co-curricular, extra-curricular and training-placement activities.
